

The Pluto Observer

Watchdog to the Solar System

Earth Edition

January 2010

W A N T E D !

President Barack Obama

Wanted by the Republican Party "Haves" for the *unconscionable* crime of using tax money to provide affordable health care for all Americans, including the "Have-Nots". If you see this man, shake his hand and tell him "Thanks." Then support his continued efforts toward making this sorry, greedy, mismanaged world a better place for all human beings.
